Hi Phillip

The Keystone meeting seems a long time ago now!

I wanted to let you know that I hadn't forgotten your request for a copy of Steve Day's white paper. It turns out that his paper hadn't been released at the time of the Keystone meeting – explaining why the panel members had not yet seen it. It is to be released as part of a second package of papers – not sure when but hopefully soon.

I have passed on your request and I hope that means that you will get a copy in due course.

All the best,
Claire
